

Youth Advisory Council

JOIN AND MAKE A DIFFERENCE!

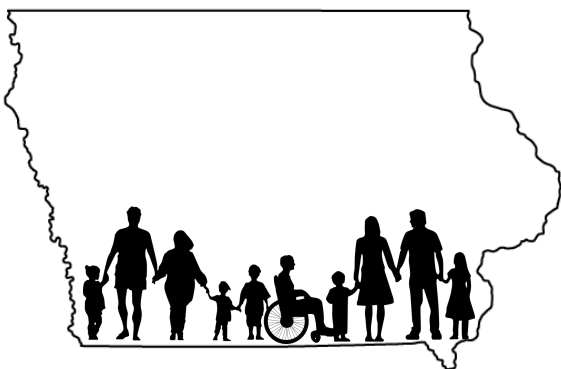

Applications Due
February 25

Child Health Specialty Clinics is looking for enthusiastic and hardworking teens to join its Youth Advisory Council!

Members will work alongside CHSC staff to improve systems of care for youth with special health care needs.

Leadership

Joining the YAC is a great way to build advocacy and leadership skills, and connect with youth across the state!

Requirements

- Advise CHSC staff on transition to adult health care programming
- Attend quarterly virtual meetings
- Be 14-22 years old
- Have a disability/special health care need **OR** be a sibling of someone with a special health care need

Stipends will be provided to participating council members

Sponsored by the University of Iowa Division of Child and Community Health and Child Health Specialty Clinics
