

Youth Advisory Council

JOIN AND MAKE A DIFFERENCE!

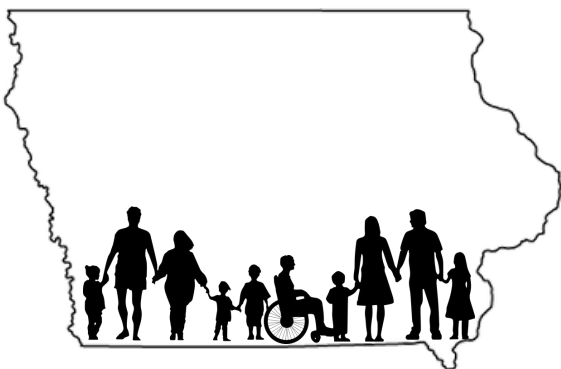

Applications Due
April 30

Child Health Specialty Clinics is looking for enthusiastic and hardworking teens to join its Youth Advisory Council!

Members will work alongside CHSC staff to improve systems of care for youth with special health care needs.

Leadership

Joining the YAC is a great way to build advocacy and leadership skills, and connect with youth across the state!

Requirements

- Be 14-22 years old with a disability or special health care need
- Attend virtual council meetings from June 2024 - August 2024
- Advise CHSC staff on transition to adulthood programming using your own lived experience

Stipends will be provided to participating council members

Sponsored by the University of Iowa Division of Child and Community Health and Child Health Specialty Clinics
