

IOWA FAMILY LEADERSHIP TRAINING INSTITUTE

Parents and primary caregivers of children ages 3 to 19 with special health care needs are invited to participate in a special leadership training.

The goals of this training are to:

- ✓ Understand how to work with partners
- ✓ Become aware of one's own path to leadership
- ✓ Discover strategies for advocacy
- ✓ Prepare a Community Service Project that impacts the community or system with the support of experienced family leaders

COST is \$100
Scholarships are available

TRAINING SCHEDULE
In-person sessions will be held in Ames:
March 6-7, 2020
April 3-4, 2020
May 1-2, 2020
May 30, 2020

"Knowing that I can make a difference moves me to continue onward."

"It was wonderful to connect with other special needs parents. I have learned so much and now have some idea of how things work."

I have learned that I'm more of a leader than I thought and I have the ability to do great things."
