

Youth Advisory Council

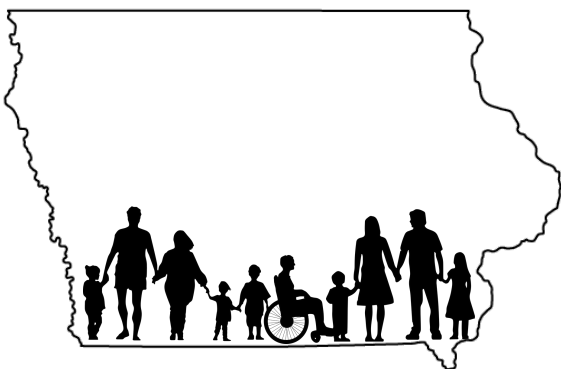

JOIN AND MAKE A DIFFERENCE!

Applications Due
February 25

Child Health Specialty Clinics is looking for enthusiastic and hardworking young adults to serve as Young Adult Allies on its Youth Advisory Council! Young Adult Allies will work alongside CHSC staff to mentor youth and improve systems of care for youth with special health care needs.

Leadership

Joining the YAC is a great way to build advocacy and leadership skills, and connect with youth across the state!

Requirements

- Work closely with CHSC staff on planning and facilitating Youth Advisory Council Meetings
- Serve as a mentor to youth with special health care needs
- Be 18-25 years old
- Have a disability/special health care need and experience with self-advocacy and leadership

Stipends will be provided to participating Young Adult Allies

Sponsored by the University of Iowa Division of Child and Community Health and Child Health Specialty Clinics
